Phase One Project

Design of Phase One park project 65% complete, reviewing layout of restroom building and playground options

Process for naming a new park

Three-step process for naming a new city facility

- Initial PRMCC meeting to receive presentation on new facility, community and public outreach process, and guidelines for submitting applications.
- Second PRMCC meeting with staff review of applications, input from historical experts if needed, and final name choice submitted to City Council.
- City Council meeting to determine recommendation from PRMCC and make a final vote for name of new facility.

Name for new park at Pine Meadow Drive

Outreach Process

- Social Media
- City website posting
- City newsletter
- Local newspaper posting
- Mailers to nearby residents

How to Submit Application

- *City website*
- *PDF Form emailed to City*
- *Paper application to City Hall*

Outreach process will include dates for when to submit application and PRMCC review meeting

Next Steps/Schedule

- June 20, 2023: Meeting with PRMCC to initiate naming of new park.
- July 14, 2023: Complete outreach to community.
- August 25, 2023: Deadline for submission of applications.
- September 8, 2023: Staff completes review of applications.
- September 29, 2023: Staff receives input of applications from historical experts.
- October 17, 2023: Meeting with PRMCC to review applications/recommend name.
- November 15, 2023: Meeting with City Council to review PRMCC recommendation and approval final name of new City park.
