Self Haul Construction & Demolition (C&D) Processing Facilities Options

This list was established¹ to help contractors and property owners who wish to self haul² to locate facilities in our region that are equipped to recover the recyclable and reusable fractions of C&D Debris. To The City of Martinez has no influence or control over disposal fees at these facilities and does not endorse the use of one facility over another. **Please request and hold on to all weight receipts. These receipts are required to be attached to your Waste Management Plan in order to comply with C&D Ordinance Requirements and/or CalGreen Requirements. Call ahead to inquire about materials accepted, hours of operation and fees.**

¹ The City of Martinez gratefully acknowledges the Central Contra Costa Solid Waste Authority for use of this list. Each facility has been assessed by the CCCSWA for their ability to recover at least 50% of accepted C&D Debris.

² Per the City Franchise Section 1D, Republic Services is exclusively entitled to be paid for C&D debris box services. Please refer to www.awsgcc.com for information on debris box service including sizes, delivery and fees. Republic will provide the required documents to facilitate the Waste Management Plan security deposit return.

***Reuse Facilities: These facilities are preferred facilities for drop-off of usable Construction & Demolition materials.**
